9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

According to ACL 14-56, counties must implement the 200% FPL for MCE for all NACF HHs. There are a few exceptions for HHs that are ineligible to MCE. There is a list of HHs that are not CE (e.g., IPV disqualified HH member). Does this mean that these HHs who are ineligible to MCE, must meet the income limits of 130 % of the FPL or must now provide verifications of resources and be under the resource limit?

Example, the CF HH contains a Mom, who is disqualified for an IPV and her child. The HH's income is over the 130% FPL, but under the 200% FPL. Because this HH does not meet the criteria for MCE, is the HH now required to verify and be under the CalFresh resource limit?

10. REQUESTOR'S PROPOSED ANSWER:

The HH is not MCE, and will be/may be income eligible if under the 200% FPL as long as the the household meets the resource limits. The CF HH must verify all resources

11. STATE POLICY RESPONSE (CFPB USE ONLY):

CDSS concurs with the proposed response.
